I'll check with Paula. I think she can make that call.

I guess if it isn't blessed we shouldn't post it. Can you get it blessed?

Hi, Lisa.

Here you go. I'll shoot more to you in a few. The Gold King Mine fact sheet hasn't been officially blessed for posting on the webpage, but it is out there, so Tim can decide if he wants to put it on there. It is a little dated now anyway. Sorry for the delay.

Cynthia

Can you send me a copy of any docs you guys have handed out down there? Rich is putting together messaging and needs them and we need to make sure Tim has them to post.

I think everything is being posted on the official Gold King Site, so as long as we are linked to that, I think we are good.

Thanks!
